ABOUT US

G-Bike is a pioneer and market leader in the Indian Electric Two-Wheeler industry. We have been the front runner for Electric Mobility in India for over a decade. We believe in offering an ecological 2-wheeler solution to our consumers, which above all else, gives our customers excellent value for money. Hero Electric's endeavour to make the country greener with 'Zero Pollution' transportation through its wide range of Electric Vehicles, is supported by our Mission of "No Emission".

We are quality seekers and a quality conscious entity. Every product manufactured by us is closely inspected, rigorously tested by quality engineers and put through 46 stringent quality checks before it reaches our customers.
